Lifewire Hosts and Chun Wo Co-organises Lifewire Run 2018

* * *

To Support an Inclusive Society and Raise Funds for Child Patients through Charity Run

(2 December 2018, Hong Kong) – Hosted by Lifewire and Co-organised by Chun Wo Development Holdings Limited (“Chun Wo”), and presented by Kai Bo Group, the “Lifewire Run 2018” was held this morning at Ap Lei Chau Wind Tower Park in Aberdeen attracting more than 1500 athletes to take part in the races. Over 41 organisations sponsored and participated in the “Lifewire Run 2018” event. Net proceeds will be donated to Lifewire for addressing child patient cases.

Dr. Fernando CHEUNG Chiu-hung, Legislative Council Member; Ms. Lam Yuk Chun, Southern District Council Member; Ms. Cheung Sik Yung, Southern District Council Member; Dr. Trisha Leahy, Chief Executive of the Hong Kong Sports Institute; Ms. Angie Cheong, artist and Joint Chairman of Fundraising Sub-Committee of the Children’s Heart Foundation, Ms. Ho Tze Lok, 2018 Asian Games Squash Women’s Team gold medalist, Sr Stephen Lee, the Chief Executive Officer of Chun Wo Construction Holdings Company Limited, Ir Dr. Derrick Pang, JP, Founder of Lifewire, together with committee members of Lifewire served as officiating guests of the event and its starting ceremony. Artist Ms. Vincy Chan(泳兒) was the performing guest and also cheered on the runners.

Ir Dr. Derrick Pang, JP, Founder of Lifewire, said, “Following on the heels of its success last year, Lifewire Run has been held again this year. This worthwhile event continues to promote the Hong Kong spirit of mutual assistance by involving the participants in the charity run, while raising funds for child patients with rare diseases and supporting an inclusive society. I would like to express my heartfelt appreciation to the active involvement of all participants who took concrete action to show their support to child patients. I hope that the public will continue to demonstrate the spirit of inclusion and mutual assistance, and help other people in need within society.”

This year, the Lifewire Run held individual races of 1km, 3km and 8km in length, including an individual race and corporate race category, together with a Carnival featuring Lai Yuen's retro style. Highlights of the carnival included many retro style game booths and 4D photo booths featuring bygone days of Hong Kong, allowing the athletes and their families and relatives to join and reminisce about the good old days of Hong Kong and have a truly enjoyable morning.

About Lifewire

Founded by Chun Wo Development Group in 2014 and registered as an independent charitable organisation in June 2015, Lifewire is the first online fundraising for charity platform dedicated to helping child patients of rare diseases in Hong Kong. Lifewire believes love can change society and miracles happen when people open their charitable hearts. We visit child patients to understand their real needs and let people know about them via the written word and videos. You may donate directly or start your own fundraising campaign or share on online platforms, to help bring new hope to the children. Please visit the website <http://www.lifewire.hk/>.

Chun Wo Development Holdings Limited

Chun Wo Development Holdings Limited (“Chun Wo”) was founded in 1968 and is a key subsidiary of Asia Allied Infrastructure Holdings Limited (stock code: 00711.HK). The Company is principally engaged in the core construction and property development businesses with the professional capability to undertake large integrated construction projects. Recent examples of large infrastructure projects in Hong Kong within which the Company has undertaken works include the Central-Wan Chai Bypass, Liantang/Heung Yuen Wai Boundary Infrastructure, the Hong Kong-Zhuhai-Macao Bridge Passenger Clearance Building, the Guangzhou-Shenzhen-Hong Kong Express Rail Link (Hong Kong Section) and the MTR Shatin to Central Link. With deep roots in Hong Kong for nearly 50 years, Chun Wo has accumulated extensive experience and a strong position in the construction sector enabling it to expand business to countries along the “Belt & Road” route in Southeast Asia. Examples of such expansion are the acquisition of a construction and engineering consultancy in Singapore and the waterway bridge design and construction projects undertaken in the Philippines during recent years.

Asia Allied Infrastructure Holdings Limited (stock code: 00711.HK)

Asia Allied Infrastructure Holdings Limited (“Asia Allied Infrastructure”) is listed on the Main Board of the Hong Kong Stock Exchange under stock code 00711. It is engaged in various businesses including construction engineering and management, property development and assets leasing, security services and property management. With Hong Kong as its business development base, **Asia Allied Infrastructure** is also exploring development opportunities with Asia as the main focus, as well as in overseas markets. Its subsidiary “Chun Wo” is a renowned construction contractor and property developer in Hong Kong, which enables Asia Allied Infrastructure to capitalise on that company’s solid construction experience and professional capabilities to seize the opportunities for infrastructure development in countries along the area of the “Belt and Road” initiative, and, ultimately, to increase overall profitability and create higher investment value.
