CHUN WO DEVELOPMENT HOLDINGS LIMITED

[For Immediate Release]

Chun Wo Organised “Enhancement of Site HSE Management Competition 2010”

Promotes Best Practices and Standards in Site HSE Management and Rewards Outstanding Site Engineering Teams

(Hong Kong – 23 August 2010) **Chun Wo Development Holdings Limited** (“Chun Wo” or “the Group”) (stock code: 711) has organised the “Enhancement of Site Health, Safety and Environmental (HSE) Management Competition 2010”. It aims to enhance tidiness, safety and environmental protection standards and awareness at construction sites, as well as promote best practices in site HSE management and award outstanding site engineering teams for excellence.

Officiating guests at the award presentation ceremony held included Mr. Li Chi Leung, Chief Occupational Safety Officer (Operations) of Labour Department; Mr. Derrick Pang, Deputy Chairman of Chun Wo Development Holdings Limited; Mr. Eric Lam, Director of Chun Wo Construction and Engineering Co., Ltd.; Mr. Andy Yiu, Director of Chun Wo Construction and Engineering Co., Ltd.; Mr. Peter Kwan, General Manager (Compliance) of Chun Wo Construction and Engineering Co., Ltd. and Mr. Clive Cheng, Senior Resident Engineer of AECOM Limited.

Mr. Derrick Pang, Deputy Chairman of Chun Wo, said, “Safety and environmental protection have always been our top priorities and we have strived to increase awareness of the importance of safety by promoting site HSE management. To foster such a culture, we must introduce awareness about the importance of safety and environmental protection at all levels. To this end, we have promoted our core value ‘Safety, Environment and Public Interest Take Priority’ to the entire working team, as well as property owners, engineering consultants and sub-contractors. The success of the “Enhancement of Site HSE Management Competition 2010” has reflected the determination and commitment of each and every staff of Chun Wo.”

Mr. Peter Kwan, General Manager (Compliance) of Chun Wo Construction and Engineering Co., Ltd., said, “The success of the competition was demonstrated by the overwhelming participation and solid support of all our site staff. All of our project sites performed well with the standard in aspects of occupational safety and public safety. The competition has succeeded in boosting our staffs’ awareness of occupational safety and health and, in turn, has further advanced the safety management level of the Group.”

There are in total 24 project sites of Chun Wo enrolled in the competition to vie for the Gold, Silver and Bronze Awards in the Best Site HSE Management and the HSE Innovation Award and the Best HSE Management Team. The major 5 judging criteria cover site tidiness/cleanliness and site outlook, hygiene conditions and mosquito control measures, control of environmental nuisance to the surrounding, health and welfare facilities as well as workplace transport and vehicle safety and considerations for pedestrian safety. The Group aims to enhance the HSE management standard of the project sites and work safety awareness of its staff, reduce accidents and create a safe working environment, as well as foster partnership and team spirit amongst the project teams and sub-contractors through this competition.

Award-winning project sites are listed as follows:

Gold Award of Best Site HSE Management	Construction Works of Tuen Mun Western Trunk Sewerage
Silver Award of Best Site HSE Management	Term Contract for Water Supplies Department-1/WSD/09(H)
Bronze Award of Best Site HSE Management	Construction of the Student Residence at The University of Hong Kong
HSE Innovation Award	Construction Works of Tuen Mun Western Trunk Sewerage
Best HSE Management Team	Fitting-out Works for the Residential Development Project at TKOTL No 70 Area 86, Site AB, Tseung Kwan O
